Helping people to care for our ocean

EXTERNAL ADVERT

Applications are invited for a short-term seasonal contract position of

Part-time Education Guide

for uShaka Sea World Education

(Contract period: 1 July to 13 December 2023)

The responsibilities will include:

- Guide and control school groups through uShaka Sea World and Dangerous Creatures.
- To provide interesting, high-quality commentaries interpreting identified exhibits during tours, with basic conservation messages and visitor take-home action.
- Ensure coordinated school flow through uShaka Sea World and Dangerous Creatures with minimal impact on full-paying guests.
- Assist the Formal Education Department with education activities.

The following will be required of the successful applicant:

- Grade 12, Grade 12 Biology at university level entrance or equivalent knowledge base.
- At least two years' guiding experience in either a formal or informal education setting;
- The ability to communicate clearly and confidently with a diverse audience of different size groups, in English and isiZulu.
- Ability to use a microphone.
- Ability to understand and translate complex information and communicate it in simple, accessible language.
- Exhibit enthusiasm and level-headedness.
- Create a welcoming environment that is responsive to clients' needs.
- Ability and willingness to continually undertake appropriate training and self-study to grow own capability to deliver education programmes to fulfil SAAMBR's mission.
- Ability to work flexible hours.
- Good time-management skills.
- Ability to manage new and changing situations with confidence and calmly solve problems.
- Effectively work as part of a team.
- High standard of personal presentation.
- Willing to undergo basic water safety training.
- Physically fit to stand and walk for extended periods of time and able to lift objects of 8 kg.
- General knowledge of marine environment and relevant conservation issues and knowledge of uShaka Marine World .

If you meet these requirements and would like to apply for this position, submit your Curriculum Vitae to Ms K. Ramsaroop by either:

E-mail: kramsaroop@saambr.org.za or

Hand delivery to: The South African Association of Marine Biological Research,
1 King Shaka Avenue, Point, Durban, 4001.

CLOSING DATE: Tuesday 16 May 2023

Should you not have heard from us by 31 May 2023, please consider your application unsuccessful.
